Affidavit in Support of Complaint

I, Ryan J. Hammer, being first duly sworn, state as follows:

- 1. I am a Special Agent (SA) with the Federal Bureau of Investigation (FBI) and have been so employed since June of 2016. I am currently assigned to the San Antonio Division, McAllen office where I conduct a variety of investigations pertaining to gangs and violent crime.
- 2. On January 15, 2020, the mother of a Minor Female (hereafter "MF-1) reported an incident to the McAllen Resident Agency (MRA) of the Federal Bureau of Investigation (FBI) regarding explicit photographs sent to MF-1 via Facebook Messenger from a Facebook profile under the name "Lee Roy Huerta". The mother advised that this Facebook account was used by Lee Roy Huerta (hereinafter, "HUERTA"), a male relative.
- 3. The mother advised that MF-1 was 11 years old. The mother and MF-1 had lived with HUERTA at his residence in November for approximately three weeks.
- 4. The mother provided consent to search the Facebook account through which MF-1 was receiving the messages and agents obtained the messages between MF-1 and the "Lee Roy Huerta" account. A review showed that the messages spanned the timeframe from November 16, 2019 through December 11, 2019.
- 5. Beginning on or about December 10, 2019, HUERTA began discussing sending pictures to MF-1. The following are various subsets of the messages that were sent/received:

- 6. HUERTA is a known gang member and has prior convictions to include felony conviction for kidnapping and unlawful possession of a firearm by felon.
- 7. As a result of Facebook messages that were sent through the account identified to be used by HUERTA by a relative of HUERTA, investigators have probable cause to believe that **HUERTA** knowingly and willfully attempted to produce child pornography through the use of interstate facilities as well as knowingly and willfully transferred obscene material to a minor using interstate facilities.
